Note: Backstitch the spider's legs with two strands of dark grey; daisies and butterfly with one strand of dark grey*; dog roses and bindweed with one strand of cherry red* (*used for backstitch only); thistle prickles, grasses and other foliage details with one strand of dark green, and spider's web with one strand of silver. Work French knots (shown as a tiny circle) with one strand of black for poppy centres, ladybird's spot and butterfly antennae; one strand of yellow on dog roses, and one strand of bright green on buttercups.*
